ANNUAL SUMMER BASKTEBALL – FATHER-SON GAMES

Brothers,

Our annual, traditional summer basketball tournament is scheduled for **28 June – 19 July 2024**. The class of 2014 is working extremely hard to continue to build on the successes of previous class's and have some great things lined for a better experience this year!

As you know, one of the most sacred events during the tournament is the traditional **Father-Son game**. Over the years, we have held this as a one-time event, usually on championship night. Participation and interest have grown over the past few years, and this year, we are looking to expand it more.

The basic criteria to be eligible for the Father-Son game(s) is simple. A father and his son, or grandson, are eligible to participate. Other relationships outside of this (EX: godparents) are considered on a case by case basis. Both the father and son/grandson must play the game. A minimum of two fathers must be on the court at all times. Father-son/grandsons will team with other father-son/grandsons to form a team. And it goes without saying, but both the father and son/grandson must meet the alumni eligibility criteria.

The goal: I'd like to get a minimum of four (4) Father-Son teams and do some sort of pool play, built within the actual summer tourney. So, I'm looking at 2-3 games for each team. A championship of the father-son games will be held on championship night.

Seeing as the summer tourney is still a few months away, at this point, I am merely gauging interest on how may father-son players are out there and willing to participate. So please email or message me with your intent/desire to compete in something such as this. Once I receive this information, we can plan accordingly.

Fortes in Fide,

Eddie C. Pelkey
